

The words in a sentence that tell us what is happening are called verbs. They can be thought of as 'action' or 'doing' words.

All these words are either nouns (naming words) or verbs (action words). Write noun or verb next to each word.

- 1. clock
- 2. ran.....
- 3. hat
- 4. swims
- 5. skipped
- 6. pen.....
- 7. tooth
- 8. shouted

Make up interesting sentences of your own using each of these verbs:

- 9. crashed
- 10. jumped
- 11. laughed

Write an interesting sentence to describe each picture. Underline the verbs that you used:
