

Adjectives tell us more about nouns by describing them. Colours which describe nouns are adjectives. They are often found before the noun they are describing. Below are four colours.

red

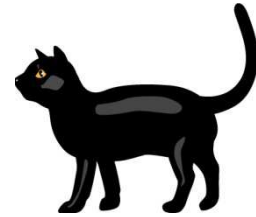

yellow

blue

black

Use the adjectives above to complete the following sentences.

1. Drivers should stop at a ..... light.
2. The ..... cat jumped over the wall.
3. The sun shone on the lovely ..... sea.
4. The monkey ate the ..... banana.

Here are some more adjectives. They are all colours. Use them to describe the nouns below.

grey

white

purple

pink

a ..... cloud

a ..... jumper

a ..... flower

a ..... sky

Write sentences of your own with these adjectives in them.  
You may need to look up the colours in a dictionary.

scarlet

amber

green

turquoise
