A message from Mrs Foxton

Hello everyone! Another week has flown by again, and even though the weather hasn't brought much sunshine, the children have been able to get out on the field and enjoy the calm between the showers.

This week the Reception and Nursery children have been getting active with African Animal Dancing and reading about Handa's Surprise. Our Key Worker bubbles have been moving around the world and through history, learning about America and using querns! Our Y6 have been working on a few projects and hopefully you will have received an email from Mr Richardson regarding one of them! Please do let the office know if you haven't received anything.

And another week of exciting things happening at home as we have seen photos of baking, fabulous maths and some amazing scrabble games!

Hopefully the weather over the weekend will improve and we can all start looking forward to a good summer!

DATES FOR YOUR DIARY

Last Day of Term	17th July
First day of Term (R-Y6)	8th September
First Week back (Nursery)	14th September

Things to remember if your child is currently in school

Sun hats and sun cream — we are feeling hopeful that the weather may improve over the next week. Please can we ask that if it does you send your child with a sun hat and sun cream.

Pack lunches and hot dinners—a polite reminder that we are a nut free school and we promote healthy eating. Hot dinner are now available Monday, Tuesday, Thursday and Friday.

Water bottle—please ensure your child has a water bottle in school each day.

Timings— To help us to ensure we can maintain the smooth running of the staggered drop off and collection times please can we ask that you are on time.

Next Academic Year

As this year draws to a close, we are busy making preparations for next year. With the current guidance, we are looking to fully re-open in September, following a more usual pattern of opening to Reception to Year 6 first and our Nursery children starting the week later.

Further details will be sent out in a letter next week.

Carpets and Decorating

We are hoping to be able to get some of the carpets replaced and some walls painted over the summer holidays. If any of our parents are in either the carpet fitting or the decorating trades, and would be interested in giving us a quote to do the work, please do contact the office on 01759 318 369. Thank you!

Home Learning

Home Learning We are continuing to provide children with the learning packs which can be found on the school website.

If you are experiencing any issues with these please do contact your child's class teacher. We are still in the process of setting up, so thank you for bearing with us as we aim to get the details of usernames out to you before the end of term. In the meantime you are able to access the online video for your child's class by clicking on the following links:
