A message from Mrs Foxton

At the end of an unprecedented year, I would like to say a fond farewell to our Y6 leavers as they move onto their new schools. This has been an extremely unusual year for all of us, but especially for our Y6 children who have had

many of their expectations and hopes challenged over the last few months, but who have shown great resilience and determination. I think we can all be proud of their ability to enjoy every moment and I would like to encourage them to continue to be the best that they can be and live life to the full! I hope that they will look back on their time at Melbourne with fondness and that they will come back and visit us soon.

Finally, I would like to wish all our children a fabulous summer holiday full of fun, hopefully some sunshine and if you get time to read a book or two, I look forward to hearing all about it when I see you in September.

Have a super summer break and see you on the 9th September!

Term Dates

Apologies but there was an error on last week's newsletter, we return to school on Wednesday the 9th September NOT the 8th September.

All other term dates can be found on our website.

After School and Breakfast Club

Following on from the letter you will have received yesterday, we shall be sending out booking forms for wrap around care shortly. Please keep an eye on your email.

In order to maintain the continued safety of the children, we shall be offering the same number of places (30) in total but split over two bubbles with 15 places in each. There will be different drop off and pick up points for each bubble but the times will remain 7.30am to 8.40am and 3pm to 5.30pm for both bubbles.

Once we have received all applications for a place, we shall be in touch to confirm details.

Next Academic Year

A detailed letter went out via email to everyone yesterday. Hopefully this will have answered your questions, but if not please do not hesitate to contact us via email on admin@mcps.org.uk

We look forward to welcoming all our children back on the 9th September but we shall be in touch during August, should there be any changes.

Transition Activities

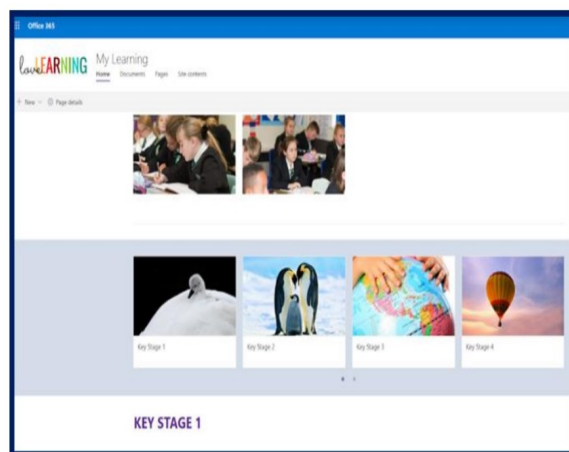

Apologies but there has been an administrative error in distributing the transition activities to be completed over the Summer.

Your child's new class teacher will be emailing the correct activities out shortly. Please do email admin@mcps.org.uk if you do not receive anything.

MyLearning

You should by now have received the link and username and password to the new MyLearning platform. As the letter explains, the platform is in its infancy and will continue to be developed over the coming months.

However, in the meantime, please do head over to the site and see what you think. We'd be really interested to hear your feedback on all aspects so please do drop me an email on kfoxton@mcps.org.uk. Thank you for your support!
