A message from Mrs Foxton

Good afternoon and welcome to this week's newsletter. Today marks the close of the second week of the national lock down - time is flying! As always, everyone has been very busy learning over the past week. Children in school and at home have been working hard to improve their skills and learn new knowledge.

Online learning and video editing is new to all schools at the moment - I would like to thank my staff team for demonstrating a super growth mindset and overcoming the various hurdles that the previous weeks have presented. We are always keen to gain your views on the provision that we are offering so we can improve. We were pleased to receive so many positive comments around the package we have provided to date. We were also appreciative of your ideas for areas for improvement. The first area of improvement that we have implemented is the use of the seesaw app. Please do logon and send through what your child has been up to at home. As always, if you have any difficulties, concerns or queries please do contact the school office or your child's class teacher who will be more than happy to help and support.

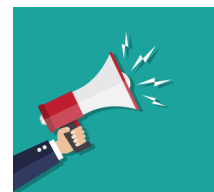

Wishing you all a wonderful and peaceful weekend – let's hope we get a little snow to enjoy.

DATES FOR THE DIARY

Half Term	12th to 19th February inclusive
End of Term	26th March 2021

Website of concern

We have been advised by our liaison officer at the Humberside Police to make our parents aware of a site called **omegle.com** which has caused them serious safeguarding concerns.

It is easy access and the opening page advertises 'talk to strangers'. The site works with just text or videos and appears to be anonymous, allowing unsuitable content to be viewed by anyone who can access it. If you have any concerns or questions, please let us know. Our designated Safeguarding Lead is Mrs Kelly Foxton.

Award Winners

Unfortunately internet connectivity meant we were unable to hold our Awards Assembly this week. We have postponed until Monday.

Whole School PE competition

For the remaining 3 weeks of this half term, we will be running a whole school PE competition in the style of a fitness camp. Your class teacher will send a link for the instruction video and a link for the fitness camp video. All entries will need to be added onto Seesaw. We hope you enjoy it and good luck!

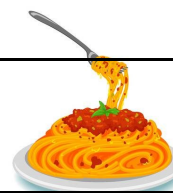

You will have all received an email from Mrs Foxton on Thursday regarding the new Seesaw App being used to support feedback to the school on children's work. This is an excellent way of motivating your child to share the work they are completing with their class teacher. The app was designed with children in mind, so hopefully they should be able to add and post examples of their work independently. Class teachers have already received a number of submissions and look forward to receiving and commenting on lots more. As always thank you for your support.

### Home Learning

If you have any specific technical difficulties with the MyLearning links, videos or access, please email [ITSupport@Woldgate.net](mailto:ITSupport@Woldgate.net) with your child's full name. Hopefully the team there can then investigate . Thank you.
