The Travelling Book Fair is back in town

Children and parents are invited to the pop-up bookshop which is showcasing the very best books to engage every type of reader. The added bonus is that every book sold helps us to earn free books and teaching resources for our school. The pop-up book shop has been open Thursday and Friday this week and runs until Tuesday 22nd June. Families are welcome to come and join us between 3.30pm – 4.30pm. . Please come to main reception where you can gain access to the book shop. Children will also have the opportunity to access the book shop at morning break next week so that children who use the school bus do not miss out.

Year 6 SATs

Well done to all of our Y6 children for their maturity and efforts - not just this week, but throughout the year. Thank you to our fantastic families for working in partnership with us. We very much appreciate the support and encouragement you provide and of course the post SATs treats that have arrived from home – thank you!

Thank you to our Governors Jane Henley, Eddie Dawson and Claire Holden for giving up their free time to observe the SATs administration process as recommended by the Standards and Testing Agency.

Year 2 SATs

Mrs Brosenitz and her team are gearing up to complete the Y2 assessments with the children. Please follow this [link](#) for further information.

FoS

Thank you to everyone so far that has supported the FoS 'Days out' raffle by buying tickets. There are only a few more days left to send your money and tickets in so please don't miss out. FoS have had even more prizes donated this week with a voucher for Ice skating at Hull arena and a massage at 'Hands that Heal' which is fantastic news. The raffle will be drawn on Wednesday at 3.30 pm in the playground so make sure your tickets are returned before then to be in with a chance. Thank you!

Music

Please contact the office (01759 318 369 or acharlton@mcps.org.uk) if your child is interested in learning a musical instrument. We do still have space for brass and percussion (drumming) in September.

M&M Club

Rehearsals are well under way for the performance of *The Mikado* with everyone embracing the silliness of Gilbert & Sullivan! At Club on Wednesday, the children were asked to be "off script" when we return after half term. This applies to every child, as we expect children to still know the words of the songs they are singing. Children have had scripts since November so have had plenty of time to learn words and songs. We would be most grateful if parents or extended family could help the children learn their lines and the songs using the scripts provided. Thank you.

30hrs Free Childcare

Please remember if you are eligible and intend to use the 30hrs extended provision for your nursery child in September then you must re-apply prior to the end of this term (July 20th). It would be appreciated if applications could be submitted to the office at least a week before that date as we may not have time to process last minute applications. Please contact the office for details or sign into [your existing account](#) . If you do not re-apply then you will not be able to use the extended hours.
