SATs.....done ✓

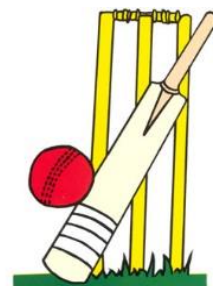

Congratulations to Class 3 for completing their SATs this week. The children approached each day with positivity and determination. Our mantra this entire academic year, for all children, has been to try your best as nobody can ask anymore of you. A huge thank you to all members of staff and governors involved with the preparation, maintenance and completion of the SATs this week and last. A special mention to Mrs Brosenitz, Mrs Forman and Mrs Lawrie for the support, guidance and management before, during and after the tests and for providing a wonderful array of post-test treats. Whilst SATs are taken in Y2 and Y6 we would like to take this opportunity to recognise that they are end of Key Stage tests ie a team effort, a culmination of excellent teaching that takes place in every year group at our school. The whole team of teaching and support staff go the extra mile to bring out the best in all of our pupils. We are obligated to undertake the tests – we are judged, compared and ranked on their results and whilst we all have a view as to whether we agree or disagree with them, we wish to sincerely thank you, our parents, for your continued support.

Secondary Fire to School Boundary

We are sad to report that there was a fire to the school boundary that spanned at least 50 metres on Sunday 20th May. The fire brigade were called and had to use 2 hose reels and a hay drag to contain the blaze. Thankfully, it happened over the weekend so no children were on site. The land owner on the other side of the hedge has put in place a barrier and we have made arrangements to have temporary (heras) fencing to maintain security. We are currently costing for a new permanent replacement.

Kwik Cricket

9 children went to Market Weighton Secondary School on Tuesday afternoon to play Kwik Cricket: Ellie, Lilia, Matthew, Max, Olly, Edward G, Danny, James & Joe M accompanied Mrs Lawrie where they played against 6 teams from across the County. Overall, Melbourne came a very creditable 3rd place with some great performances and super team spirit. Thanks to Mrs. Lawrie for organizing and thank you also to parents and friends, who came along to support the team or help with transport.

**Badminton**

Due to a limited response, we will now open after school badminton club to children in Class 5. Therefore, if your child would like to play Badminton after school after half term and is in Classes 3, 4 or 5 please complete the slip below and send it in as soon as possible. Club runs every Tuesday from 3.30 – 4.30pm

My child.....Class.....

would like to play badminton after school on Tuesdays at Melbourne CP School. I will pick up my child promptly at 4.30pm.

Class 5

Class 5 had a trip out to Woldgate on Wednesday afternoon. As part of a BBC initiative to try and get more young children interested in classical music, they were invited to attend an orchestral performance by the East Riding Youth Orchestra. Performers included many ex Melbourn pupils and music teachers. We hope the children enjoyed their brief taste of the classics!

Friday afternoons

As we progress through this term, we are seeing many more instances of parents requesting that we release children early on Fridays. Where we will always try to be understanding of special circumstances, we would like to ask that children are not picked up early, unless they have a pre-arranged medical appointment. Children being picked up early will miss assembly and many importantly end of week activities - as they are generally organized at the end of the day and staff will not have the time to prepare this in advance for you. Please remember that you will be asked to produce evidence of any appointments which result in your child not returning to school in the afternoon. Without this evidence your child will be marked as an unauthorized absence on their record so please make sure you have it to hand prior to asking for early pick up. Many thanks for your attention with this matter.

Friends of School

A big thank you to everyone that supported the 'Days Out Raffle'. You helped raise an amazing £525 which is a brilliant start to the new library project. Here is a full list of the winners – congratulations!
