New Arrival

We would like to congratulate Mr Richardson and his wife, Georgina, on their latest arrival! Baby Harry Richardson arrived safe and sound on Sunday and all are doing well! Mr Richardson's teaching commitment has been covered this week by Mrs Marwood and Mrs Ripley – both familiar supply teachers – and we are pleased to tell you that the same arrangement will be in place next week.

Child Flu vaccine

We have had notification that the Child Health Immunisation Team will be calling at school on Monday 5<sup>th</sup> November to administer Flu vaccine to children in Reception, Yrs 1,2,3,4 & 5. Parents of children in these year groups will be contacted nearer the time regarding permissions etc. If you have any queries or concerns please contact the Immunisation team on 01482 335703.

M&M Club

It's almost *Showtime!* We would like to wish everyone concerned with M&M Club the very best of luck as they journey off to Titipu! We are very excited to watch *The Mikado* and experience some of the wonderful music associated with Gilbert & Sullivan. 63 children are in the M&M Club, all ranging from 6 to 11 years old, and they have all been working very hard to make this production a success. Some tickets are still left for evening performances so please ask at the office if you are interested. We do not expect to run late after the Thursday afternoon performances so you can, hopefully, expect transport to arrive home at the usual time. Good luck M&M Club – break a leg!

### Please!

As many of you are aware there has been considerable expense and time spent on improving the play area in Melbourne Village. The area is proving to be a very welcome addition to the village and is well used by children from Melbourne and surrounding villages. However...it has been reported to us that some children are climbing on the frame of the swings. This is both very dangerous to the children concerned and can cause damage to the recently installed equipment. The playing fields committee also report that they are having to pick up litter daily – squash bottles, crisps and sweet wrappers. Obviously, we are very lucky to have this resource in Melbourne and are keen to make it available for children to use for many years, so it is important that we all look after it. We would appreciate it if all parents could please remind children about safety and looking after their own litter whilst out unaccompanied.

### After School & Before School Club

Please can we ask that parents book children into these clubs in advance. We have had several children appear at after school club saying that their parents have told them to go if they are not back in time to pick up. Both of these clubs are very busy and you should be aware that there may not be a place for your child unless you book, so please let us know as soon as you can if you would like your child to go. Most last minute bookings are fine, but you really need to let us know to make sure there is a place. Many thanks.

### FoS News

Next Friday 6th July is non uniform day at school. Should your child wish to come in their own clothes on this day, the FOS would appreciate a bottle as a forfeit! In return please bring a bottle donation to school. There will be FOS members at school ready to collect the bottles in the morning. All the bottles will go towards the bottle tombola at the BBQ on the 13th. The bottle can be of anything (fizzy pop, beer, wine, bubbles, sauce etc.) but please check they're in date! Thank you.

### Tae Kwon Do

Tae Kwon Do will take place next Tuesday as usual but, due to the stage being set up in the hall for the M & M show, Mr Cook will hold the Club outside. We understand Tae Kwon Do will not be continuing as an after school Club in the Autumn Term. Enquiries regarding available classes should be directed to Mr Cook on 07833665905. Current TKD will continue at Melbourne until the end of term.

### Educational visit

Classes 2 & 3 had a super sunny educational visit to Scarborough today. The children dressed as Victorians for the day and had lots of fun playing Victorian games and activities on the beach. There was a bit of hoopla, some boules and even a little sea bathing! The weather was great and everyone had a wonderful day. The children were very well behaved and were once again a credit to their school and families. Big thanks to Mrs Brosenitz and Miss Cheshire for providing the entertainment and to friends and family for volunteering to help.

### RSPCA

Thank you to everyone who donated towards the fundraiser on Monday - we raised £170. Half of this money will be donated to the RSPCA and the other half will go to the School Council's refurbishment project. So far they have raised just short of £400 from Beat the Blues, Glow sticks, Sweets in a jar & World Book Day. We also got some amazing news this week that a local business has agreed to double our money and has pledged £400 towards the project bringing our total up to nearly £800! This money is to be used to refurb furniture in a classroom ready for the new term! If anyone else would like to donate please let the office know – your contributions are very much appreciated.

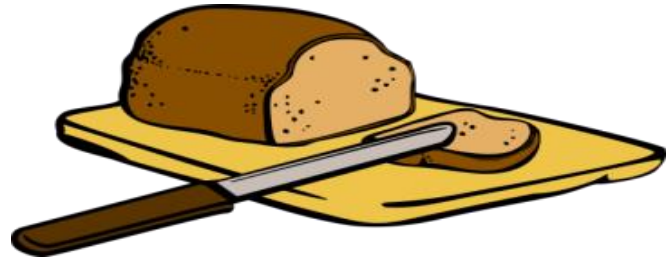

### School Dinners

All our dishes are homemade. Fresh fruit and yoghurt are available every day. Vegetarians and all children with special dietary requirements will be catered for. If your child is having the sandwich option during the week

please let us know on Monday morning as the sandwiches are made to specific numbers. Sandwiches are cheese or ham. School lunch costs £2.40 per meal. If you have any questions regarding individual meals and what allergens they contain please ask at the office and we will be able to supply you with the information you require.
