### The Mikado

Many thanks to everyone who has been along to see the M&M Club perform *The Mikado* (bow) this week. We have had full houses all week and are looking forward to the grand finale tonight! Huge congratulations must go to the children who have shown that they are up to any challenge – and this was a big one! The singing and dramatic performances were worthy of much older children and they should all be very proud of themselves. Visually all the children looked amazing and we would like to thank all parents for their support and help with hair etc behind the scenes. We know how tiring this week can be and would like to thank you all for your commitment to the Club.

Special thanks to:

- Richard Chapman for organising our stage lighting...and for once again hearing the cry for "Heeellpppp" as our lighting deck decided not to play ball during the dress rehearsal.
- Andy Woodward for donating his time, money and skill by making our lovely bridge. I am sure it will feature in many M&M productions in the future.
- Peter Thompson for giving us a permanent reminder of the show by recording the performance.

We are very grateful for all the time these individuals have given up to support the M&M Club. Please note that there is no M&M Club now until the Autumn Term – when we start all over again...Mrs Charlton is has a pretty good idea what the performance will be for 2018/19 and it's another biggie so watch newsletter for details.

### Cycling

Year 5 and some Year 6 children will be taking part in cycle training over the next 7 school days. Please can parents make sure their children come adequately protected from the elements as much of the training takes place outside. Please be aware that bicycles will be kept in the locked shed overnight but parents should be aware that this is at their own risk. Learning to cycle safely is a very important life skill and we are confident that the children will find the training both useful and enjoyable.

### Yorkshire Show/Drifffield Show

Please can we ask that term time absence forms be completed if you are intending to take your children out of school to attend these events. Please ask at the office if you need one. Under the term set by Educational Welfare, any pupil absence to attend these events would be marked as unauthorised absence. Thank you.

### 30hrs Nursery Hours

Please remember if you intend to use 30hrs for your nursery sessions in September, you must let the office know prior to the end of next week in order for the application to be made in time for the new term.

### Transition week

Next week is very busy one. Year 6 children will be out of school and off site Monday, Wednesday and Friday as they prepare for their transition to secondary school. As per the letter sent home in book bags yesterday, all the children will be spending the whole week in their new classes for September. This will give the children the opportunity to get to know their new teacher and teaching assistant and get used to their new surroundings and routines. We have lots of activities planned and are sure it will be a fun week!

### Secret Squirrel

Mrs Forman has asked us to remind parents of Year 6 children about the "you know what's" for the leavers assembly?...The thingamajig's?...C'mon people you know what we mean! Incriminating evidence can be sent to Mrs Forman via email – [cforman@mcps.org.uk](mailto:cforman@mcps.org.uk), or handed into school office in a named envelope.

### Security

Please can we ask that parents ensure that the side gate is closed after they have come into the school grounds. If the gate is opened to its full capacity the closing mechanism will not work and the gate will remain wide open. We understand you may need to open it wide to get in with a buggy but please ensure it is closed behind you. Many thanks

### Netball

Following a successful season, and winning the East Riding of Yorkshire's North West division of the Netball League, representatives from the netball club went to Beverley Longcroft School on Friday evening to take part in the East Riding Play off finals. After a creditable performance, the team finished 7<sup>th</sup> in the East Riding. We would like to congratulate all the children who contributed to the results over the season – this is a super result for a primary school our size and we are all very proud of you. We would like to thank Miss Taylor & Miss Cheshire for all their guidance and organisation and also mention all parents and extended family that have come to events to offer team support and help with transport. Thank you all very much.
