Remember it's the FoS BBQ tonight – all welcome at Melbourne playing fields!

Leavers' assembly

We would like to invite all parents and extended family of our current Year 6's, to their special leavers' assembly on Friday morning. All visitors are welcome to meet in reception – assembly will start at 9am. Please let us know if you are coming in order that seating can be provided for you...and byo tissues!

48hr rule

Please can we take this opportunity to remind all parents about the 48hr rule for sickness and/or diarrhoea. In order to prevent spread, children should not be brought back into school until 48hrs after vomiting or diarrhoea has stopped. Parents will be contacted if children are brought back too early.

Monies

Please can all accounts be balanced before the end of term. Anyone with monies to pay for meals, extended schools' etc, should pay before Thursday next week in order for monies to be banked.

Music lessons

We have been made aware that there will be some changes to music lessons next year. Regrettably we are losing Mr Pitchforth as our percussion teacher – he has cut his workload to accommodate his filming commitments – but Mr Woolfries is a specialist in percussion and, by all accounts, a great replacement.

So... from September:

Brass – Mr P Walker on Wednesday afternoon

Strings – Mrs A Hoggarth on Tuesday afternoon

Keyboard/Guitar – Mrs E Wilson on Monday afternoon

Percussion – Mr S Woolfries on Friday afternoon

Any children interested in music lessons should let the office know as soon as possible.

Fence

We are pleased to be able to let you know that, after much paperwork, we are in a position to have our burned hedge replaced in the summer holidays. We have taken the decision to replace the fence and gate surrounding the wildlife pond at the same time – so quite a lot of work will go on in the Summer holidays. Temporary fencing will be removed on the last day of term in preparation for installation of the permanent fence.

Holiday Club

Due to the work outlined above we are not in a position to be able to offer holiday club during the Summer holidays this year. As the fencing round the pond will be removed, the site will not be safe for children. At the present time we are unsure of exact installation dates, and how long the work will take to complete, so have taken the decision not to offer provision as it would be unfair to our families if we had to cancel at the last minute. We will however, be looking at the possibility of offering Holiday Club moving forward.

Summer Soiree

Some Year 5 children attended the Summer Soiree at Woldgate last night. Over the past few months these children have been rehearsing songs in class time - helped by Mr Schofield and Mrs Bartlett from Woldgate. All who attended had a great time and many thanks to Miss Taylor for supervising.

Disruption

There may be some disruption around Class 1 on Monday as we are having the inner quadrangle fitted with artificial grass. We hope that this will really enhance the outside play area for our Nursery and Reception children.

Summer Disco

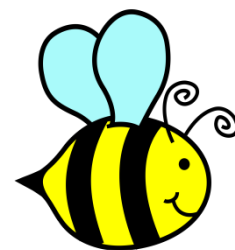

The end of term summer disco will be next Wednesday 18th July at school. The disco will be outside on the school field but with entrance via reception (it will be held inside if it rains). KS1 and Nursery will run between 6.15-7.15pm and KS2 between 7.30-8.30pm. Entrance costs £2.50 and there will be drinks and sweets to buy so bring your pennies!

Student placement

We are expecting a Year 10 child from Woldgate College to be joining us next week for work experience, Miss Adrian will be working under the supervision of class teachers and be a welcome extra pair of hands!

Bites and stings

There are a few nasty critters about at the moment...and we don't mean the children! Please be aware that should your child ever be stung during school time, by a wasp or bee, we will always call home for your information. If your child requires antihistamine for such stings or bites, please remember that you can leave medication in the office should it become necessary. Permission forms will need to be filled in so please just ask at the office.

Transition week

We hope the children enjoyed their week in what will be their September class. We applaud all children for their learning attitude and taking the changes in their stride. They already look more grown up! If you have any questions about your child's class in September please let us know.

Reports

All children should have brought home their annual reports tonight (except Year 6's who got them yesterday). If you have not received the report please let the office know. If parents would be so kind as to complete and return the slip confirming receipt, that would be much appreciated.

Holiday Club (Mega Makers)

There will be a holiday club at the Melbourne Chapel running from 23rd July until 27th July. Club starts at 9.30am until 11.30am and activities will include games, food, stories, friends, craft and music. Cost is £2 per session or £9 for the week and booking forms are available from the office.

Woldgate School Uniform

During the school holidays, parents of children going to Year 7 will be able to go Woldgate School to look at uniform, try on samples and place orders for uniform and PE kit. This facility will be open between 1-3pm on the following dates:

Thursday 9th August, Tuesday 14th August, Monday 20th August & Wednesday 29th August.
