Dates for the calendar!

Having re-charged after a busy autumn term, we wanted to update you on the outcomes of our most recent fundraising.

Many thanks must go to all who have supported the events and activities organised by the Friends of School last term, we hope you had fun!

The funds you have helped us to raise will be spent on refurbishing the wooden climbing frame and soft surface in the school playground. The children at school really love this piece of equipment, so we are pleased to be able to help keep it in use.

Finally some more good news, we have been very fortunate to gain three new committee members. Emma Winchester, Katie Alvis and Katie Rennison all attended our AGM in November and have agreed to serve on the committee. They have already made a huge contribution to the work of Friends of School and we are thrilled to welcome them!
