KS2 SATs Week

Children in their final year of primary school in England sit their national curriculum SATs tests next week. Thank you to our year 6 team: Mrs Forman, Miss Lawrie and Mrs Knight for ensuring that pupils are well prepared not only for the SATs tests, but more importantly for the next stage of their education. We would like to personally thank these staff members (and Mr Cooper) who have given up a considerable amount of their own time to support individuals so that they have the very best opportunity to succeed. We are incredibly proud of the hard work and resilience that the Year 6 children have shown. Finally, we would like to thank our parents for their overwhelming support and continuing to work in partnership with the school.

Further advice relating to medical/sickness absence can be found on our website under the [Parent tab](#).

Melbourne phone box library

One of our governors, Claire Holden, is setting up a mini library for the village in the red telephone box. The aim is that this will be up and running by the school summer holidays and will offer books, games and puzzles. If you have any books (particularly

children's books) that you would like to donate please get in touch with Claire (01759 318808). If anyone has a phone-box size bookcase that they no longer need and would be willing to donate, that would also be very much appreciated!

Fiends of School Facebook Group

For those of you that don't know there is a 'Friends of Melbourne School' Facebook group where we share information about upcoming events and school news. For new and existing parents this is great way to stay in touch with upcoming events and to be part of the school community. Parents and carers with children at the school are more than welcome to join this closed group (please send a request to join). Current members can also invite other parents to join too. Please note that this is run by Friends of School and **not** by the school or staff members so we whilst we try our best to keep you updated, it is important to contact the school directly with queries or concerns.
