On the day changes

Please telephone the office for any 'on the day' issues such as illness, pick up or lunch changes (before 9.30am) rather than email as whilst we endeavour to check the admin email every day, we cannot guarantee to pick up emails before 10am each day. The office number is 01759 318369. Thank you for your understanding.

Term Dates

The dates for the academic year 2020/2021 have now been finalised and have been put into the Dates for your Diary Section as well as on the school website. Please do contact the office if you have any questions.

New Student Teacher

We have welcomed Miss Holtby to Melbourne to complete her teacher training with us. She will be working with Miss Cheshire in Class 3.

Pedestrian skills

Children in year 4 completed their pedestrian skills training last week. Trainers commented on the super manners from the children, so well done to everyone concerned. We hope the children all enjoyed their training and have learned some important skills which will help to keep them safe.

Headlice

Unfortunately we have had reports this week that some children have head lice. It appears to be class 6 & 4 who are the main causes for concern. Please check your child over the weekend and treat as necessary, as you can appreciate if left untreated the headlice spread throughout school.

The Play Equipment - update

We are currently in the process of receiving quotes to repair the rocket. We would like to thank the Friends of School for supporting use in getting this piece of equipment ready for the children to use! In the meantime, please would you help us keep the children safe by not allowing them on the play equipment at pick up and drop off times.
