Attendance

Regular attendance at school is key to pupil progress and is important in developing pupils' communication and participation in school life. We do our best to work with families to make sure that any issues or circumstances which affect a pupil's attendance are given attention and support. Attendance is monitored regularly and where a pupil's attendance drops significantly, we may ask to meet with parents or carers, to discuss how we can support an increase in attendance.

Children are required by law to attend school 190 days per year. The Government states that every pupil's attendance should be at least 95%.

What does this actually mean?
