## Activities

Cut the days of the week out. Put them in order and recite them together, pointing to each day as you say it.

Lay them out, mixed up and use them to do these activities.

1. Pick up the day that says Monday. What do you do on a Monday?
2. Pick up the day that says Thursday.
3. Pick up the day that is today.
4. Pick up the two cards that are the weekend.
5. Pick up the card that was yesterday.
6. Pick up your favourite day of the week.
7. Pick up the days that start with the letter t.
8. Put all the days of the week in order.
9. Pick up the second day of the week?
10. Pick up the third day of the week?

Cut out the days of the week and then answer these questions.

1. How many days of the week are there?

2. Which day of the week starts with M?

3. What days do you go to school?

4. How many days begin with the letter S?

5. What day comes after Wednesday?

6. What day comes before Saturday?

7. What day comes after Saturday?

Can you sort out the letters so that they spell days of the week?
