Friday 10th July

Melbourne Primary School

Grow, Explore and Achieve together

Mrs. Burdett's Weekly Update

What a fantastic week we have had at Melbourne Primary! Despite the heat, we've managed to keep everyone cool and comfortable thanks to our new air-conditioned building, where we've been taking turns to enjoy the respite from the warm weather.

I'm delighted to share that Year 1 and Year 2 have had a wonderful experience this week courtesy of The Canal Boat Trust, who very generously enabled our pupils to enjoy a boat ride on the canal. It was a brilliant opportunity for them to take in the sights of our local community from a completely different perspective, and the feedback has been overwhelmingly positive. We're incredibly grateful to The Canal Boat Trust for making this possible and enriching our pupils' learning experiences.

As part of our Enrichment programme here at Melbourne, we also hosted 'The Swans who came to Tea' – a special occasion where our incoming Year 1 pupils had the opportunity to spend quality time with their new teacher over a picnic tea. It was a thoroughly enjoyable event that helped our youngest pupils feel welcomed and excited about their transition into Year 1.

Looking ahead, we have some wonderful events coming up that I'd like to draw to your attention. Next week, we'll be hosting our Melbourne Festival of Music Tuesday 14th July on the playground – a celebration of the musical talents of our pupils. The gates will open at 8:45am, and The Friends of School will be serving coffee and croissants, so do arrive early and enjoy a warm welcome. The children will begin performing at 9:15am, and I can assure you that you are in for a real treat as they showcase what they've been working on.

We also have our end-of-term disco taking place on Wednesday 15th July. Key Stage 1 pupils will enjoy their disco from 17:15 to 18:00, whilst Key Stage 2 will have their turn from 18:15 to 19:15. It's a fantastic way for the pupils to celebrate the end of the school year together.

Finally, on Friday 17th July at 9:15am, we will be holding our Year 6 Leavers' Assembly for our Year 6 parents. Our Year 6 pupils have been practising hard, and this promises to be a memorable occasion as we celebrate their time at Melbourne Primary and wish them well as they move on to secondary school.

It's been a pleasure to share these highlights with you, and I look forward to seeing you at our upcoming events.

Clubs

Breakfast Club - 7.30-8.30am - £5
ASC - 3-4pm - £5
ASC - 4-5pm - £5
Please book breakfast club and After School Club on ARBOR - if you have any issues with booking sessions, please contact the school office.

Enrichment Clubs

There will be a small charge for sessions to cover staffing and resources to keep the clubs running.

Reading at Home

Thank you to all of you who continue to engage with the digital reading log.
Your teachers should have now sent you a letter about the reading log. You will receive a link every Monday. Each child should aim to read and log 4 reading sessions a week.

Well done to those children who have achieved their target this week! We love seeing your reading progress.

Attendance and Awards!

The value award we are focusing on this week is the 'Achieve' award. Well, done to all the children who have been selected for this award!

CYGNET AND SWAN CLASS –
To all the Cygnets and Swans for a super transition day when you all went to visit your new year groups.
MALLARD – Clemmie, for achieving great progress in all subjects this term and working so hard!
OTTER – Poppy for continuously striving to do her best and achieving great things as a result.
DRAGONFLY – The whole of Dragonfly class for achieving the highest engagement on the Learning with Parents Reading Log.
HERON – Fredrick for his determination to complete the news article this week and acting upon advice from his critical friend
KINGFISHER – Charlie – For trying really hard this week and making good progress in his end of year assessments.
PHEASANT – Elbee – for surviving the day being a great help in EYFS!

Our Writers of the week are:
CYGNET AND SWAN CLASS – Polly for writing independently and with care when completing your morning writing task.
MALLARD – Mark for always going above and beyond in each writing session to create some beautiful work.
OTTER – Noah for showing confidence in writing and using his own innovations.
DRAGONFLY – Alex for your effort and dedication during writing lessons.
HERON – Lois, for writing an excellent news report 'with a twist' based on the story of Little Red Riding Hood.
KINGFISHER – Ronnie – for his amazing non-chronological report on the amazon river.
PHEASANT – Foxton – for his brilliant stories he has written this year

Boffy's Reception Starters 2026 Play Sessions

Starting primary school is a huge milestone, and our Reception Starters 2026 Play Sessions are the perfect way for children to meet their future classmates before September.

Hosted at Boffy's Play Cafe, these relaxed play sessions give local children starting Reception in 2026 the chance to play, explore and build confidence in a friendly, welcoming environment. Parents and carers can also meet other families from the same school and start forming those all-important connections before the school year begins. Whether your little one is feeling excited, nervous, or somewhere in between, these sessions are designed to make the transition into primary school feel a little more familiar, fun and reassuring. Come along, enjoy a play session, meet new friends, and help your child take their first step into school life with confidence on Friday 7th August.

BRANCH AND STEM
GROWING YOUNG MINDS

Bespoke Summer STEM Club in Pocklington

Looking for a summer camp that blends brainpo

wer with active fun? Led by experienced

scientists, our bespoke STEM club is designed to spark curiosity, foster creativity, and build problem-solving skills through hands-on learning.

- **Who:** Curiosity-driven 8–11 year olds
- **Where:** Pocklington School (The Cadet Building, behind little pips nursery)
- **When:** 3rd – 7th August | 9am – 4pm daily
- **Cost:** £40 per day (Book just one day, or the whole week!)

Learning through fun: Interactive challenges and team missions keep children inspired and motivated. They'll crack codes, earn rewards, and level up their STEM skills every day.
Expert-Led: Designed and delivered by James and Tim - both local dads, scientists, and Russel Group lecturers.

Active Brains, Active Bodies: Every day includes integrated physical activities to keep energy levels high and brains refreshed.

How to Book: Spaces are limited to ensure high-quality, hands-on experience. Contact Tim:
Tel/WhatsApp: 07749789093
Email: tim.STEMclub@proton.me
Website: branchandSTEM.co.uk (currently under construction)

UNIFORMD

Save the environment whilst saving money and supporting Friends of Melbourne School.

Friends of Melbourne School now has an on-line second hand school uniform shop on the platform Uniformd. Please head along and have a look.

It's easy to see what we have in stock, and simple to place an order. Most of the items are listed with a zero price tag, so you are free to make a donation to Friends of School and receive the items of school uniform in return. Garments will be sent home from school with your child within seven days of you placing the order.

We have to pay an admin charge per transaction for us to use the platform, so we kindly ask that you make a minimum donation of £2 per item, and if possible, purchase more than one item at a time. If you are a uk tax payer, please tick the relevant box on the order form, and we will be able to claim gift aid on your donation.

Our stock list will be updated regularly, so if you don't see what you are looking for, please look again in a few days, or send us an enquiry using the "contact us" button on our page on the web-site.

Please pop along and have a look:

New Technology Enhancing Teaching and Learning

One of the Wonder Learning Partnership's leading priorities is to ensure our staff, pupils and students have state of the art technology to enhance and improve teaching and learning. We are excited to share that each of our schools had a new interactive whiteboard installed in every classroom and we are thrilled with the impact these are having in engaging pupils in both primary and secondary education.

Our school teaching colleagues have also received new flip laptops providing more flexibility for delivering in-class teaching, screen sharing and interaction with the teaching and learning taking place.

We would like to say thank you to our Technology Project Group team for delivering on our strategy and who continue to research opportunities for our children's future learning.

Melbourne Primary School | Pocklington Junior School | Stamford Bridge Primary School | Woldgate School

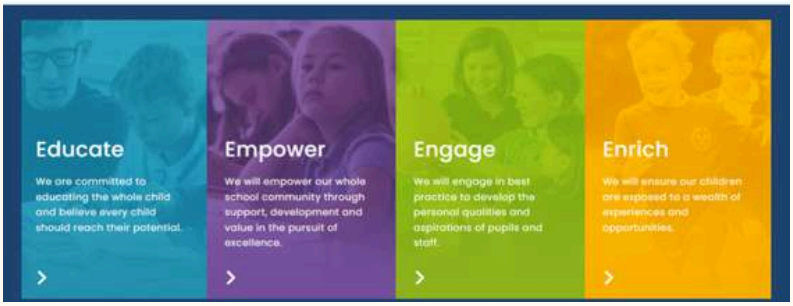

We are part of a wider family of schools in the Wonder Learning Partnership. The Trust is passionate about working in partnership to provide the best education for our children along with ensuring colleagues are supported in career development.

Our Trust is child centered, driven by an absolute desire, to know and care for each child as an individual. To nurture their individual talents and to create within them a love of learning. Exposing them to the true majesty, awe and wonder of creation. We take pride in:

- Recognising locality, rurality, community.
- Respecting the foundation, history and identity of each school.
- Ensuring every child can attend an exceptional local school.
- Providing every school who shares our mission a choice and home.
- Serving the greater good, the needs of others and our vocation as Servant Leaders.
- Being an advocate for those who we serve.

Learn more about our Trust: www.wlp.education

Wonder Priority: Wonder Culture

The health and wellbeing of colleagues and pupils

A Collaborative Culture

As part of a family of schools one of the many benefits is collaboration. Our Trust schools work together for the benefit of pupils, colleagues and the community.

Our collaboration goes beyond the classroom to provide opportunities for colleagues to share knowledge and expertise in leadership, operations, finance and more.

For example, our Big Conversation, a Trust-wide consultation led to three project groups working across some of our priorities. Together, these groups have made a huge impact across our Trust:

- Technology
- Culture, Health and Wellbeing
- Education beyond the Curriculum

We regularly bring together colleagues with the same job role from across our schools to share best practice and collaborate on future work or implementation of new processes. These meetings go a long way in allowing for smooth transitions and supporting colleagues.

Melbourne Primary School · Pocklington Junior School · Stamford Bridge Primary School · Woldgate School — Of great merit, character & value
